

Returns and Exchanges

For any reason a product, purchased at full price, does not meet your expectations, provided the hangtag has not been removed and the product has not been washed or worn and is in the original packaging, you may return it for a full refund minus shipping charges.

All items purchased "on sale" (marked down to less than regular price, excluding coupon discounts) are final sale and may not be returned for refund, but may be even exchanged (same item) or for a Little English Credit.

Any return or exchange must be made within 14 days of the order delivery date (We will track by UPS) and must be accompanied by the original Little English Invoice or online receipt (no exceptions). If you are on vacation, please make plans to make your returns and exchanges within this 14 days, or notify us if this time frame will be an issue.

To make an exchange or return email ieasha@littleenglish.com to obtain the required return authorization (RA) number. Please include your order number, list of items you are returning and the reason for return in your email when requesting the RA number.

To return items please use a carrier with insurance and tracking. Little English is not responsible for items being returned that are lost or damaged in transit.

Return shipping charges are the responsibility of the consumer, unless the initial reason for return or exchange is a mistake on Little English's behalf (i.e., wrong size, color, design, was shipping differently than original order made by the consumer).

Please send to:
Little English
